RE: Notice of Extension of CDFI Certification Expiration Date
Certification Number: 061CE006966

Dear Gerald L Rioux:

The Community Development Financial Institutions (CDFI) Fund has redesigned the CDFI recertification process in order to implement an improved process. While we have already begun to recertify some CDFIs, we are not recertifying all CDFIs at once. Rather, we will continue to notify CDFIs in batches, throughout 2011 and 2012, when it is time for them to recertify. In the meantime, the CDFI Fund will extend the certification status of certain CDFIs, including your organization, pending recertification notice.

This letter serves as your official notification that the CDFI Fund has extended the CDFI certification expiration date of the above-referenced organization. This extension supersedes the expiration date noted in any previous correspondence from the CDFI Fund. The extension will be effective until your organization is otherwise notified by the CDFI Fund.

Accordingly, any certified CDFI with an extended certification expiration date that is interested in submitting a FY 2009 CDFI Program funding application will be deemed to have met the certification eligibility requirement set forth in the applicable Notice of Funds Availability. It is important to note, however, that while this certification extension is in effect, your organization will continue to be responsible for reporting Material Events to the CDFI Fund, as applicable. The Material Events Form and Q&A are available for download from the CDFI Fund's CDFI certification webpage at www.cdfifund.gov. The CDFI Fund will determine the impact of the Material Events reported on the organization's status as a CDFI, and follow up with the organization as needed.

You may confirm your organization's continued status as a CDFI through the CDFI Fund's website using the website address above (under CDFI Certification Program, scroll to the bottom of the page to review the list of Certified CDFIs by name, state, or type of CDFI).

If you have questions concerning this letter, please contact Christopher Stever at (202) 622-8322. The CDFI Fund appreciates your organization's participation in the CDFI Fund's programs and looks forward to continuing to work with you in the future.

Sincerely,

Erin McKeivitt
Acting Manager of Certification, Compliance, Monitoring and Evaluation

Re: Notice of CDFI Certification
Certification Number: 061CF006966

Dear Mr. Rioux:

I am pleased to inform you that the Community Development Financial Institutions Fund (the "Fund") has certified San Luis Obispo County Housing Trust Fund as a Community Development Financial Institution (a "CDFI"). This letter officially documents your organization's certification as a CDFI and sets forth the terms under which the certification is granted. All capitalized terms used but not defined in this letter have the meaning ascribed to them in the CDFI Program regulations at 12 CFR Part 1805.

If your application for CDFI certification was submitted with an application for financial and/or technical assistance in connection with a CDFI Program funding round, this letter pertains only to your organization's application for CDFI certification. You will be notified by separate letter of the Fund's decision with respect to your organization's application for financial and/or technical assistance.

Certification as a CDFI means that an organization meets the CDFI eligibility requirements. The CDFI eligibility requirements are described in the CDFI Program regulations at 12 CFR Section 1805.201. These requirements relate to an organization's having a primary mission of promoting community development, predominantly serving and maintaining accountability to eligible target markets, being a financing entity, providing development services and not being either a government entity or controlled by a government entity. Certification does not constitute an opinion by the Fund as to the effectiveness or financial viability of the certified organization.

Certification status may be reviewed from time to time, as deemed appropriate by the Fund, for any CDFI, to ensure that the organization meets the Fund's applicable regulatory criteria. Thus, from time to time, the Fund may ask a certified organization to submit information demonstrating its continued compliance with the applicable CDFI eligibility requirements. The Fund has determined that San Luis Obispo County Housing Trust Fund's Target Market consist of: 1) 6 Investment Areas comprised of individual and contiguous census tracts in San Luis Obispo County, California; 2) a Low-Income Targeted Population comprised of Low-Income individuals and families residing in San Luis Obispo County, California; and 3) an Other Targeted Population that lacks adequate access to capital comprised of African American and Hispanic American individuals and families residing in San Luis Obispo County, California.

This certification status will be effective until March 30, 2010, unless, as a result of a review of the organization by the Fund, the Fund, in its sole discretion, decides to terminate the certification on an earlier date. The Fund may extend the certification status beyond the above date at its discretion. The Fund may undertake a review of the organization, the form and substance of which will be determined by the Fund, in order to determine whether to grant such an extension.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Stever".
